

Did you know
that **GA** can participate
in EU or international
projects?

Yes **GA** is now a
validated partner*

What can **GA** do for you?

- Participate in EU and international projects as a legal entity
- Bring you in contact with industrial stakeholders to build up your consortium
- Advertise the project in more than 1300 members in 80 countries
- Disseminate scientific achievements and results of the project
- Organise workshops and seminars

For more information please contact the secretary of GA

Dr. Birgit Benedek
